

Verdicts & Settlements

With the pharmaceutical litigation attorneys at the Simmons Firm on your side, you have tremendous experience and knowledge, combined with significant resources and commitment, hard at work for you. The Simmons Firm has experience in litigating complex medical matters. We have taken a leadership role in standing up for individuals who have been injured by dangerous or defective drugs.

Since 1999, Simmons Browder Gianaris Angelides & Barnerd LLC has represented thousands of clients throughout the country and have recovered over \$4 billion in verdicts and settlements. Our pharmaceutical clients alone have received over \$230 million in verdicts and settlements.*

We have represented individuals seriously injured due to drugs such as Oxycontin, Vioxx, Ephedra and more.

Rest assured, we will provide you with the information and tools you need to make informed, confident decisions throughout this complex process. This level of experience is absolutely critical to ensure you get the results and the compensation you deserve.

Results of our approach:

- » \$1.8 Million Awarded in Wrongful Death Case
- » \$1.4 Million Awarded in Ephedra Case
- » \$1.3 Million Awarded in Case Against Major Drug Manufacturer
- » \$1.2 Million Awarded in Wrongful Death Case

Though every case is different and no results can ever be guaranteed, those are just a few examples of the thousands of clients we have helped over the course of the last decade. We have over 200 employees standing behind you, and we are deeply committed to helping you at every stage of your case and beyond.

** Please note that recovery results vary per client. The recovery amounts in each case reflect the specific facts of that case. Further, recovery amounts in past cases are not a guarantee of future results.*
